

NAUGATUCK VALLEY
COUNCIL of GOVERNMENTS

REGIONAL FLOOD RESILIENCE PROJECT

ABOUT THE PROJECT

Undersized, aging culverts & drainage systems can cause flooding and harm wildlife. Your local & regional governments are designing solutions for your neighborhoods.

PROJECT AREAS

**Prindle Avenue,
Ansonia**

Includes
infrastructure on
Doyle Dr and Benz St.

**Oak Avenue,
Shelton**

Includes
infrastructure at
Congress St, Union
St, and Center St.
